Commissioner for Patents

The reply filed on June 6, 2003 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): It does not include an election of a single **disclosed** species (see paragraph #2 of the previous Office Action). Applicant is required to elect a species disclosed by the present application. The examiner notes that the species presented in applicant's reply to the restriction requirement is not disclosed in the present applicant. If, however, the examiner is incorrect, applicant is to provide the examiner with the page or figure number wherein said species is disclosed. See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. **EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).**
